Interschool Cooking Challenge

On Friday, 16th September, Shaiza Khan, Sharna Potts and Zoe Mortimer represented Waikerie High School in the Interschool Cooking Challenge against Glossop, Renmark and Loxton High Schools. The girls' brief was to create a two course meal in a one hour time frame that used local South Australian produce.

The girls chose to cook for their main meal a Haloumi and Mint Lamb Cutlet served with a Freekha Salad and Salsa Verde. A Citrus Tart was created for dessert.

The girls were judged by Gary Webb (TAFE SA Berri) and Stefano Di Pieri (author/chef from Mildura) and achieved a total score of 41 (main meal and dish of the day) and 39 (dessert). Their total overall score of 80 out of 100 and this lead to the girls tying with Loxton HS for first place. This was an outstanding effort as the girls are all Year 10 students and they competed against students in Year 11 and 12.

The Waikerie High School community congratulates Shaiza, Sharna and Zoe on their outstanding effort on the day and the preparation beforehand. Thank you to Keryn at Illilangi for her support and for pointing us in the right direction with local produce.

On Tuesday 8th November Week 4 next term a team called 'Life Matters' will be presenting seminars to Year 8, 9 and 10 students.

These Christian seminars will be captivating and engaging to all who attend.

All Year 8, 9 and 10 students will be attending unless they opt out by returning the form that will be distributed the week before the seminars. Those that opt out will be supervised in the study room.

The Life Matters team say this about their presentations: (We believe life matters. Your life. My life. and especially the lives of young people. Who they are. How they see themselves. What they believe. How they act. How they interact. We create a space for young people to discover their story; to carefully think about the choices they make and the impact they can have on their friends, school, community and world. Our workshops stand at the intersection of the Christian story and empowering life values. Each seminar is contemporary in presentation, utilising dynamic speakers, video clips, storytelling, interactive activities and conversation).
