WELCOME to the 2017 School Year

Wishing our New Year 8 students good luck with their first year of High School

Congratulations to our 2016-Year 12 students on their excellent results.
Welcome back everyone to the 2017 school year. To our new Year 8 students and families a special welcome. We will continue on our Transition program from last year as we get to know you more through our Year 8 Barmera Camp in week 5, subsequent school events and Student, Parent, Teacher interviews.

Last year was a very successful year for Waikerie High School. Congratulations to all our students on their achievements and the staff and parents who have supported them in their learning. In particular our Year 12 students achieved very successful SACE completion and ATAR scores. Many students have already received their first round entrance to courses of further study in University or TAFE or have secured employment.

I would also like to take this opportunity to welcome three new staff:
- Ms Misty Pfeiler – Home Economics
- Ms Rachael Sparrow – Coordinator English/HASS
- Mr Andrew Sparrow - Technology

The Senior Leadership Team is made up of Mr. Craig Griffiths (Assistant Principal Senior School) and Mr Phil Valentine (Assistant Principal Middle School), along with Ms Lyn Kalisch Business Manager and myself.

Our Priorities for 2017 is a continuance of going from “Good to Great”. Our plans include a focus on further developing:
- Powerful Teaching & Learning
- Improved Student Wellbeing for Learning
- Improved conditions for learning

I encourage you to become involved with your child in their learning at school by either:
- Attending our first assembly (Week 3 Wednesday 15/2/17 11:20am.) in which we will recognise the 2016 Dux of the school and our newly elected student leadership group – S.R.C and House Captains/Vice-Captains)
- Attending the School Council AGM 16th February 7:00pm (Resource Centre)
- Volunteering by helping in the Canteen – ring Marion or school reception (85412533)
- Volunteering to support students in their learning – ring reception
- Attending Student/Parent/Teacher interviews (beginning term 2 + end of term 3)
- Consulting your child’s diary, it has a wealth of information: checking/signing each week
- Contacting your child’s Home Group teacher, teacher, Year Level organiser (YLO), Subject Coordinator or a member of the Senior Leadership Team should you have any issues or concerns.

Newsletters this year will be streamlined as we engage in other new media to inform parents and the community of our programs and successes. Newsletters will go home this term in Weeks 1, 5 and 11.

I look forward in working with you, our staff and students to ensure that we provide a success oriented school environment.
ASSISTANT PRINCIPAL’S REPORT

Welcome to the 2017 School Year
Welcome back to our continuing students and I trust your education at the school has provided the foundation for a successful 2017. Welcome to the new students, we are very proud of our school and we will work hard to offer the guidance to meet your goals this year.

I am excited for the challenge of my new role as Assistant Principal of the Middle School. The opportunity arose late last year and I have always been a strong advocate that one should take the opportunity of challenge when it arises. The position is for one year and I aim to make a difference as a leader to push our school towards our full potential.

This is now my 14th year at the school, in this time I have taught HPE, Maths, PLP, Science, Physics & Chemistry. I was the Arts, new SACE, Literacy & Production Coordinator for five years and the HPE & Sports Coordinator for the past four.

I will be working with teachers, parents and students to ensure that the school continually improves its outcomes for students in the middle school. This will be through insightful teacher development using educational research, managing and developing school policy, and ensuring high quality learning plans to meet the needs of the Australian curriculum.

I look forward to the year ahead and please do not hesitate to contact me if you wish to discuss any issues relating to your child’s progress in the middle school.

Phil Valentine
Assistant Principal – Middle School
phil.valentine491@schools.sa.edu.au

MESSAGE FROM THE PASTORAL CARE WORKER

Hi I’m Tim Hensel. I serve as Pastoral Care Worker at our school. I am employed through Schools Ministry Group and our local churches to assist students and staff in a plethora of ways.

You can access me through the front office or contact me directly. I am a good listener and ready to assist you in the school yard, in lessons and as a supportive help in general. I have served at Waikerie High for many years and I find young people invigorating and inspiring.

Please let me know if there is any way I can assist you in unlocking your full potential.

Tim Hensel
Pastoral Care Worker
Mobile 0429413909

DROP OFF AND PICKUP FROM SCHOOL

Morning and Afternoon drop offs / collections
The school requests that all parents / caregivers use the Recreation Centre car park to drop off their children in the morning and collect them in the afternoon. We ask that parents / caregivers do not collect their children from outside the Administration building or TAFE car park. This creates the potential for an accident and this has happened in the past. Your child’s safety is paramount.

Car Parking
Please do not park in the staff car park area, located along Blake Road. There are temporary car parks outside of the Administration Building, if you need to see the administration staff for any reason or have a meeting with a teaching staff member. We would be very appreciative if all parents / caregivers can support us in this process.

Rob McLaren
Principal

ASSISTANT PRINCIPAL’S REPORT

All students now have a settled timetable and have started their studies in chosen subject areas. It is important our senior students check their SACE progress to ensure they are on track to complete their certificate. The compulsory subjects (PLP, Maths, English and Research Project) must be completed to a satisfactory standard. To check, simply go to the SACE website at www.sace.sa.edu.au and look at ‘students online’.

Last year we had some fantastic results. Many students have been accepted into their first preference university course, some are continuing with their VET pathway and entered into their trade while some have moved directly into full time employment.

Congratulations to our top ATAR ranking students:
Tolan Frahm 96.75
Chelsea Webber 96.15

We are looking forward to working closely with students and parents this year. Senior classes have already been working on assignments and have a good start from the information sessions we ran at the end of last year.

Wishing all our students a successful 2017.

Craig Griffiths
Assistant Principal- Senior School
A MESSAGE FROM THE SOCIAL WORKER

I hope everyone had a well-rested break and is ready for 2017. My name's Rebecca Barker, I'm the Social Worker at Waikerie High School. I'm here at school every day except every second Wednesday. Please contact me if you need support or you have any questions. I will do my best to support you or can provide information/referrals for other areas of support. Other staff members are also here to support you.

We have updated the bullying and harassment policies, posters and reporting. Please visit the school website for the updated ‘Safe School Policy’. Every home group has a poster and forms for students if needed. Please contact your home group teacher if you have any questions.

All the best for a successful 2017.

Bec Barker
Social Worker

SA SHEEP EXPO.

Are you 12 years of age or older? Are you interested in Agriculture? Do you like working with animals? If the answer is yes than sign up for the SA Sheep Expo. This is a 3 day event, from the 19th to the 21st of April where students from all over Australia gather to learn about sheep and the various industries that are associated. There are prizes to be won and opportunities to network and create connections with people from across SA to build a future career within various industries in Agriculture.

To register interest go to http://www.sasheepexpo.com.au/. It is a great event which the students who went last year had a great time learning and making new friends from around the state and country.

Hayward Paynter
Agriculture Teacher

UNIFORM SHOP HOURS

Please note the correct uniform shop hours are as follows:

Tuesdays afternoon
3:30pm to 4:15pm

Or

Thursdays mornings
8:30am to 9:00am

Cheri Layton
Uniform Shop Manager

As always we encourage parents, family and past students to help support during the day. This may be cheering on the students and/or assisting staff with the running of the day. Please see me during the meet if you would like to assist with timekeeping.

I would like to thank the Waikerie pool and the swim club in advance for their assistance and use of facilities during the day. The pool and swim club canteens will be selling food and drinks all day.

I am not sure of the forecast but I encourage students to drink plenty of fluids the night before and during the meet, wear clothing to prevent sunburn whilst not in the water, and to stay in the shade as much as possible.

In preparation for the carnival, all PE students have been training for the day during their lessons. It is imperative that students have swimming attire for week two. We cater for all levels of swimmers and we aim to have 100% of our PE students in the pool during lessons.

The carnival is for all students. Our students who are not confident swimmers can still have a great day being part of their house team, assisting with the running of the day, and participating in the novelty events which do not require students to be strong swimmers.

We look forward to a successful event and I wish all competitors the very best of luck.

Phil Valentine
Acting HPE & Sports Coordinator

SPLASH CARNIVAL FRIDAY 10TH FEBRUARY

House captains are working hard looking at their teams after successful splash heats on Friday afternoon. If your child missed the splash heats they should ask their PE teacher to time them on Monday or Tuesday during lesson to provide comparable times to aid selection during house meetings on Wednesday. A reminder that the interschool swim team is selected based on splash carnival results, so it is important that students swim in their best events during the carnival and put in their best effort.
MUSIC
Music is due to start up in week 2 (both ensembles and instrumental lessons) – please listen to morning notices for lesson times or rehearsal information.

Overview:
Band will be held during lunch on a Monday until week 5 – where it’ll change to an after school rehearsal running from 3:30 – 5:30. This allows for a more focused rehearsal and doesn’t take away students lunch time.

- If you receive lessons from Instrumental Music then it is a requirement that you are in Band and are also enrolled in the Music subject, some exceptions may be allowed but must be discussed with Mrs Leahy and your Instrumental Music provider.
- You are also required to attend and perform in all performances, where you are available. Performances will be issued closer to dates of events.

Choir will be held during lunch on a Wednesday until week 5 – where it’ll change to an after school rehearsal running from 3:30 – 5:30.

1. New to this year, Mrs Leahy will be offering FREE vocal tuition to small groups. If you would like to receive free lessons then please collect a consent/sign up form from her.
2. Lessons will start after school in week 5 on a Tuesday.
3. Please note: If you receive these free lessons then it is a requirement that you are in Choir and are also enrolled in the Music subject, some exceptions may be allowed but must be discussed with Mrs Leahy.
4. You are also required to attend and perform in all performances, where you are available. Performances will be issued closer to dates of events.

Thank-you and look forward to a new and exciting year of music!

Anne Leahy
Music Teacher

CANTEEN NEWS

SPLASH CARNIVAL AND SPORTS DAY There will be canteen facilities available on these days with a range of hot food, drinks, rolls, sandwiches and wraps. I need help on these days, so if you would like to assist in the canteen on these days, please pop in.

CANTEEN MENUS are attached.

CANTEEN ROSTER is attached. As you can see there are a lot of days where help is required. Please consider volunteering by returning the slip below. It is not hard and it is a great way to meet teachers and students. The children are very polite and appreciate having volunteers serve them. Working in the canteen only involves serving the children for 20 minutes at recess and 40 minutes at lunch (with minimum help cleaning up). If you can only help at lunch time, that is still extremely helpful.

If you are unable to help serve in the canteen, please consider helping by way of donating products. For example, carrots, capsicums, onions, cucumbers, milo, sugar, grated cheese, BBQ sauce, pasta sauce, tomato sauce, tins of crushed pineapple.

BREAKFAST PROGRAMME Every Tuesday and Thursday mornings we provide bacon and eggs, milo and juice to the students. We serve from approximately 8:20am to 8:55am outside the Canteen. This is a great way to mingle to have a chat with the community volunteers and to ‘top-up’ before classes. As it is a free service any donations of milo, eggs and bacon is very much appreciated.

For any queries about the above, please phone Marion on 8541 3097 or 0417 897 295 or pop into the Canteen.

Marion Maywald
Canteen Manager

COMMUNITY NEWS
WAIKERIE DROP IN YOUTH CENTRE

All students are welcome to join in with the games and activities on Fridays after school at the Waikerie Youth Drop In Centre at top of McCoy Street.

After school till 5pm, many varied activities will be planned and prepared for students, by students and with students.

All are welcome. Any inquiries to
Tim Hensel 0429 413 909
Welcome back to another year. Last year the buses ran very well with only a few minor issues. I will again be the bus Coordinator and with the help of Judy Stevens, we aim to further streamline the bus process to ensure everything runs smoothly.

Just a few reminders to ensure all users are aware of some important aspects of using the buses:

- Only students who have completed bus forms are eligible. Those students bypassing local schools will need to re-apply annually and a letter plus application form will be sent at the end of term 3 to ensure all applications are received prior to the end of the school year.
- Please note that there is certain criteria that needs to be met to ensure a permanent entitlement to use the bus.
- Live 5kms or more from the school attended
- Use the bus at least 50% of each week.
- Students do not by-pass their “school of right”
- If you are ineligible but wish to access the service, please complete a bus application form. A seat cannot be guaranteed, but we will attempt to support travel where possible.
- ALL applications (no faxed or emailed ones) must be received at the high school by the end of the school year to guarantee your child’s position on a bus for the following year. Only new enrolments to the district will be accepted after this date.
- There are no TEMPORARY bus passes. The buses are to be used only for transport to and from school. Under no circumstances are students able to use the buses to go to friend’s places, or other.
- Bus drivers have been told to only pick up students who are on their lists. They are not allowed to pick up anyone else who does not appear on this list. Drivers have been instructed not to accept notes from parents or students simply waiting and expecting to get on. It is the parent’s responsibility to get their children to school if permission has not been granted.
- Be aware that some buses are nearing capacity and so in the event that we have to remove students, we will aim to do this in the most appropriate and fairest way possible. We would start with those closest to the school (ie within 5 km) and then work our way out.

BEHAVIOUR EXPECTATIONS

1. The driver of the bus is responsible for the safety of children while they are entering, travelling in and alighting from the bus. The driver is expected to drive safely and cannot be expected to manage the behaviour of the passengers. The passengers on the bus are required to behave safely at all times. The driver will expect and monitor a suitable standard of behaviour and report continued or serious misbehaviour to the Principal (or delegate).
2. Students or parents/carers are also invited to report unsafe behaviour on the bus.
3. Students will sit where the driver directs and remain there in a quiet and orderly manner, without interfering with other students or their property. Students moving about the bus, shouting, throwing things around the bus or out of the window or behaving in a manner distracting to the driver will not be tolerated.
4. The driver may change the seating arrangements in order to solve a behaviour problem. Any damage caused by students will be the responsibility of the student and/or their parent/caregiver.
5. Students will behave in a courteous, respectful manner toward the driver. In buses where seatbelts are fitted, STUDENTS must wear the belt at all times while seated.
6. CCTV is used on many buses to assist in safety for students. Vision from the camera is only ever viewed by the driver and the Principal (or delegate) if an incident has occurred.

RULES FOR BUS STUDENTS

- Be at the bus stop 5 minutes before your usual pick-up time.
- Exercise extreme care and common sense whilst waiting for the bus.

When on the bus:
- Stay in your allocated seat and wear the seatbelt.
- Ensure that no part of your body is outside the bus.
- Always behave in a quiet, responsible and polite manner.
- Follow directions given by the bus driver.
- Remain seated at all times until the bus has come to a complete stop.

1. When leaving the bus walk to the rear of the bus. Wait until the bus has left so you have a clear view of the road, before crossing the road.
2. Please negotiate with the school reception, before changing your bus travel arrangements.
3. Parents and carers should wait on the side of the road that their child will be dropped off.

**CONSEQUENCES FOR POOR BEHAVIOUR**

Any Student not complying with behaviour expectations or bus rules may be suspended from bus travel. If the student is still under compulsion to attend school, the parent/caregivers are required by law to arrange some alternate means of transport to and from school.

If you need any further clarification or information, please contact the school of your child or me at the high school.

*Please inform the school immediately if any of the following changes occur:*

1. Change of phone number
2. Change in medical conditions
3. Change of address
4. Left the school.

Paul Tripodi
Maths & Science Co-ordinator
Bus Co-ordinator
You may have heard that NAPLAN Online is being introduced from 2017. Not all states and territories or schools will move online in 2017, but the aim is for a gradual transition over a three-year period and for all schools to administer NAPLAN this way by 2019.

As a part of the move to NAPLAN online, ACARA has been researching the use of automated essay scoring (AES) for NAPLAN Online writing tests.

How does AES actually work?

AES uses computer algorithms designed to mirror human marking. The AES system is trained to score the same characteristics of writing – such as fluency, grammar, construction – that human markers are scoring using the NAPLAN marking guide. The system is trained using more than 1,000 essays with these characteristics and scores already awarded by experienced human markers. In effect, the computer models the decisions of expert human markers.

Why use AES?

Automated essay scoring is as reliable as human marking and can mark thousands of essays quickly and consistently to enable the turnaround of results within weeks instead of months. This will help teachers and schools to respond more quickly to identified student learning needs.

Frequently asked questions

How can a computer mark students' writing?

The AES system is trained using samples of students’ writing. The system is trained to score students’ responses for each task within a particular genre (persuasive or narrative). If the system identifies a response that it cannot identify or if it cannot score a piece of writing, it will 'red flag' it and a human marker will manually score the essay.

How will ACARA ensure that marking is fair for all students?

The AES is being trained by more than 1,000 scripts that have already been marked by expert human markers. As a further check, in 2017 all NAPLAN Online writing tests will be double-marked by the AES system and human markers, with any differences resolved by an expert human marker.

For more information, visit www.nap.edu.au or email naplanonline@acara.edu.au.
