

CONGRATULATIONS TO ALL 2021 SPLASH CARNIVAL MEDAL WINNERS

PRINCIPAL'S REPORT

As mentioned in the first newsletter of this year we continue with our journey of improvement with a focus on developing:

- Increased student achievement in writing
- Increased student achievement in mathematics.

Staff will continue to develop this work in their programming and planning to continually improve our student's pathways and outcomes.

Student Leadership

I would like to congratulate our student Leadership Team for the fantastic way in which they have begun 2021. At our last assembly we formally inducted the Student Representative Council (SRC), House Captains and Vice Captains into office. Congratulations to our two school captains Emily Taylor and Jack Higgins and secretary, Vaine Guy on being elected to their roles. I would like to also congratulate the newly elected Year 8 SRC students. They are Harry Guy, Jackson Kuchel, Poppy Steinert and Isabella Paschke. The SRC were involved in a leaders meeting last Friday where they planned for the year.

Our House Captains and Vice Captains did a terrific job with the swimming carnival. Congratulations to all that participated and special congratulations to individual medal winners and the King House for their fifth shield in a row. Special mention to Randell who were just three points behind in second place. Leaders will soon be busy organising teams for athletics events in readiness school and interschool sports days.

Governing Council

Thank you to the parents that attended our Annual General Meeting. I look forward to working with the elected Governing Council members and building our connections with the community to continually improve our school.

Special thanks to our elected members:

Chairperson	Brenton Kroehn
Deputy Chairperson	Troy Lehmann
Secretary	Bronte McLean
Treasurer	Kirsty Sargeson
Finance	Felicity Ziegler
Staff Reps	Callan Smart
Committee Members	Leanna Bishop
	Erin Jones
	Danny McGurgan
	Andrew Nitschke
	Nina Rayner
	Paul Tripodi

External School Review

As you were aware we have just completed our External School Review (ESR). This process involved a panel of reviewers analysing a great deal of our data. They listened to presentations from the leadership group, participated in classroom observations and had conversations with governing council, parents and staff. It was a pleasure to tell our story and be involved in the review as we continually strive to improve. Initial feedback is very positive. We will receive formal documentation outlining details from their 'lines of inquiry' and future directions. I would like to thank all parents and governing council members for their participation. Thanks also to the students for representing their school with pride and the staff for their professionalism and flexibility to meet requirements of the review.

Traffic Light Data

Next week parents/caregivers will receive traffic light data via DayMap to provide feedback on student achievement for the first five weeks. Please discuss this with your child and seek further information from subject teachers if required. This is very powerful in supporting the learning outcomes.

VET Awards

It was a pleasure to attend the 2020 VET awards at the Berri Hotel earlier this term. Waikerie High School had four finalists, Joseph Mee, Chantelle Miller, Parker Steinert and Emily Taylor. This is a fantastic effort and we congratulate them on their achievements. To top the night Emily was named Trainee of the Year and Parker, VET Student of the Year. Congratulations!

Interschool Swimming

Congratulations to all students who represented us at the Interschool Swimming at Loxton. While limited success in the pool, most impressive was the grit, determination and TEAM effort displayed by the students. A big thank you to the many parents and family members that came along to support us.

Year 12 Parent BBQ

Thank you to our Year 12 parents that supported their children in attending the evening. Congratulations to Phil Valentine, Senior School Assistant Principal on organising and presenting a very informative evening. Thanks also to our Year 12 teachers for their commitment to students and the passion displayed toward achieving the best for them.

Student drop and pickup

Reminder to all parents about morning drop off and afternoon pick up from school. Please refer below. Safety concerns have also been raised for cars dropping off and collecting students at the corner of Blake Road and Lawrie Terrace. Please use the Recreation Centre car park and students use the lights crossing into the school.

Craig Griffiths
Principal

DROP OFF AND PICKUP FROM SCHOOL

MORNING AND AFTERNOON DROP OFFS AND COLLECTIONS

The school requests that all parents/caregivers use the Recreation Centre car park to drop off their children in the morning and collect them in the afternoon. **We ask that parents/caregivers DO NOT collect their children from outside the Administration building or Bus car park.** This creates the potential for an accident and this has happened in the past. Your child's safety is paramount.

CAR PARKING

Please do not park in the staff car park area, located along Blake Road. There are temporary car parks outside of the Administration Building, if you need to see the administration staff for any reason or have a meeting with a teaching staff member. We would be very appreciative if all parents/caregivers can support us in this process.

Summary of key policies and procedures

LATE ARRIVALS

If a student is arriving late with parent consent they **MUST** have a note in their diary explaining the lateness.

AND EARLY DEPARTURE

If a student needs to leave early they **MUST** have a diary note which they show to their home group teacher (HG teacher will initial it). The student must show it to the subject teacher when they need to leave and then show it to the admin staff in the front office as they sign out.

MOBILE PHONE

No student is permitted to use a mobile phone at any part of the school day whilst on school grounds.

Inappropriate use of smart devices is prohibited.

Using a mobile phone to create a personal hotspot that bypasses the school network is prohibited.

SMART DEVICES

Parents / Caregivers who need to contact their child during the school day are expected to do so by phoning the Front Office on 85412533. Likewise, students are expected to use the Front Office to contact their parents if a need arises

LAP TOPS

Students not following this procedure will be required to place the phone/device in an envelope that is collected from the front office by a parent/caregiver.

YEAR 12 HOME STUDY

Year 12 students must present home study cards or a note to the front office when arriving. Students without cards must sign in unexplained. Students are not permitted to leave without cards or a signed note from Mr Valentine. (No home study first 2 weeks)

UNIFORM

We are very proud of our school uniform and they look fantastic on the students. It was very pleasing to see all student in uniform at the start of the year. Reminder we have new skirts for the girls. These are NOT to be hemmed up to ensure our skirt length is adhered to within the uniform policy.

Waikerie High School
2021 Year 12 Formal

Saturday
20th March 2021

CONGRATULATIONS TO OUR VET AWARD WINNERS

Emily Taylor
2020 Riverland and Mallee
Australian School Based Trainee of the Year

Parker Steinert
2020 Vocational Education and Training
Student of the Year

2020 Rotary Riverland and Mallee finalists
Joseph Mee, Emily Taylor, Parker Steinert and Chantelle Miller with
Matthew McDonald VET Coordinator and Craig Griffiths Principal

Waikerie High School would like to congratulate Parker Steinert (Rotary Riverland VET Student of the Year) and Emily Taylor (Riverland School Based Trainee of the Year) for WINNING their respective categories in the recent Regional VET awards. Joseph Mee and Chantelle Miller all did very well, being named as finalists in the VET student of the year category.

All students attended a gala dinner, on Friday 12th February in Berri, where the winners were announced. Our winners now have the opportunity to apply for state and even national recognition later on this year. Waikerie High School is extremely proud of these students, and grateful for the opportunities that VET pathways can provide for students.

Matt McDonald
VET Coordinator

ASSISTANT PRINCIPAL SENIOR SCHOOL

Year 12 – Balance the Big Year

All Year 12 students participated in a wellbeing workshop on Friday 12th February that covered strategies to succeed in Year 12. Matthew and Emma from the Life Matters group covered the topics of time management, dealing with stress, supporting others, goal setting and pursuing hobbies. The workshop was both informative and interactive and hopefully gave the Year 12 students some strategies to help them this year. Thank you to our Pastoral Care

Worker, Janine Grieger, for organising the workshop and providing pancakes to the students at recess. Furthermore, Janine will be running regular Year 12 'Happy Hours' which involve activities and food to help the students relieve some stress during this busy year.

Year 12 – Parent BBQ

Thank you to all students, parents, caregivers and siblings that attended the Year 12 BBQ on Wednesday 17th February. There was a good turn out and the evening provided a great opportunity for parents and caregivers to speak to teachers in an informal setting. Thank you to Marion Maywald for her organisation of the food and to the staff that assisted in the food preparation.

University Visits & Surveys

Tony Duggan from Adelaide University will speak to interested Year 12 students on Tuesday 2nd March (Week 6) during lesson 1 about courses offered at the university. Joel Driver will present information on careers to all Year 10 students at this same time.

Both Joel and Tony are available to speak to parents/caregivers on Wednesday 3rd March (4:30 to 6:00pm) for further information on courses offered by the University. A booking sheet is outside my office.

Flinders University will be hosting a Rural Health information evening on March 24th at the Renmark campus from 5pm. There will be more information provided to students in the coming weeks.

University of SA is researching why high-achieving students (i.e. Years 11 and 12 in an ATAR stream) from regional and rural South Australia are transitioning from school to university at lower rates than students in metropolitan areas. Some Year 11 and 12 students will be asked to participate in the study on Tuesday 30th March during their supervision lessons. Consent forms will be issued to those students.

Phil Valentine
AP Senior School

ASSISTANT PRINCIPAL MIDDLE SCHOOL

The Year 9 students will participate in NAPLAN this year and we look forward to seeing some great results from these students. Your child was given information in regards to NAPLAN during Week 3 of the school term. If you didn't receive it, I have attached the Departments privacy statement relating to the NAPLAN in this letter for you to read. We urge all students to participate and do their best and try to improve on their last results. Please feel free to contact me if there any concerns.

Dion Higgins
AP Middle School

MESSAGE FROM THE BUSINESS MANAGER

M&S Charges 2021

Material & Services charges 2021 are set at \$360. The state government has raised the school card income threshold to help families with the cost of living. This means that families may be eligible to apply for a school card. School card application forms for 2021 are available from the school or www.sa.gov.au.

FRONT OFFICE

The front office is closed every Thursday from 2:30pm.

UNIFORM SHOP

The Uniform Shop is open **Tuesday and Thursday 8:30am-9:00am**. All uniforms need to be paid in full at time of purchase either by cash, EFTPOS or cheque.

School Jackets will be arriving on 1st March 2021 and the Rugby tops will be arriving 3rd week in March, students will be notified when they arrive.

BOOKROOM (Stationery and all payments) open Monday to Friday mornings before school 8:30am-9am.

Felicity Ziegler - Business Manager

NAPLAN on paper – information for parents and carers

Your child will do the NAPLAN tests on paper

Federal, state and territory education ministers agreed that all schools will gradually transition from the current paper-based NAPLAN to NAPLAN Online in order to provide a better and more precise assessment that is more engaging for students.

State and territory education authorities will determine when their schools move online. The current plan is for all schools to transition to NAPLAN Online by 2022.

Why do students do NAPLAN?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy.

The assessment provides parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

What does NAPLAN assess?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

Students are assessed on the same literacy and numeracy curriculum content, regardless of whether they complete the tests online or on paper. Results for both formats can be reported on the same NAPLAN assessment scale.

What can I do to support my child?

On its own, NAPLAN is not a test that can be studied for and students are not expected to do so.

You can support your child by reassuring them that NAPLAN is just one part of their school program, and by reminding them on the day to simply do their best.

ACARA does not recommend excessive preparation for NAPLAN or the use of services by coaching providers.

Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance.

See examples of NAPLAN questions at nap.edu.au/naplan

Participation in NAPLAN

All students in Years 3, 5, 7 and 9 are expected to participate in the annual NAPLAN assessment. Students with disability may qualify for adjustments that reflect the support normally provided for classroom assessments. You should discuss the use of any adjustments for your child with your child's teacher.

A student with a disability that severely limits their capacity to participate in the assessment, or a student who has recently arrived in Australia and has a non-English speaking background, may be granted a formal exemption.

Your school principal and your local test administration authority can give you more information on special provisions or the process required to gain a formal exemption.

What if my child is absent from school on NAPLAN days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the testing week.

How is my child's performance reported?

Individual student performance is shown on a national achievement scale for each assessment. A result at the national minimum standard indicates that the student has demonstrated the basic literacy and numeracy skills needed to participate fully in that year level.

A NAPLAN individual student report will be issued by your child's school later in the year. If you do not receive a report, you should contact your child's school.

NAPLAN timetable

The NAPLAN assessment window starts on Tuesday 11 May and finishes on Thursday 13 May 2021.

The paper test scheduling requirements are detailed in the table below.

How are NAPLAN results used?

- Students and parents may use individual results to discuss progress with teachers.
- Teachers use results to better identify students who would benefit from greater challenges or extra support.
- Schools use results to identify strengths and areas to improve in teaching programs, and to set goals in literacy and numeracy.
- School systems use results to review programs and support offered to schools.
- The community can see average school NAPLAN results at myschool.edu.au

Where can I get more information?

For more information about NAPLAN:

- contact your child's school
- contact your local test administration authority at nap.edu.au/TAA
- visit nap.edu.au

To learn how ACARA handles personal information for NAPLAN, visit nap.edu.au/naplan/privacy

Paper test	Tuesday 11 May	Wednesday 12 May	Thursday 13 May
Language conventions This test assesses spelling, grammar and punctuation	Year 3: 45 min. Year 5: 45 min. Year 7: 45 min. Year 9: 45 min.		
Writing Students are provided with a 'writing stimulus' (sometimes called a 'prompt' – an idea or topic) and asked to write a response in a particular genre (narrative or persuasive writing)	Year 3: 40 min. Year 5: 40 min. Year 7: 40 min. Year 9: 40 min.		
Reading Students read a range of informative, imaginative and persuasive texts and answer related questions		Year 3: 45 min. Year 5: 50 min. Year 7: 65 min. Year 9: 65 min.	
Numeracy This test assesses number and algebra, measurement and geometry, and statistics and probability			Year 3: 45 min. Year 5: 50 min. Year 7: 65 min. Year 9: 65 min.

1:1 DEVICE – STUDENT PERSONAL COMPUTER

Most students have brought their laptops to school and successfully reconnected them to the school system after our server rebuild during the holidays. This is encouraging as it will support students in their learning at school and home.

For those that have yet to acquire a laptop, the Edunet portal is still open for purchases. To enter the Edunet site go to waikerie.technologyportal.com.au and use the access code **whs2020**. The Lenovo ThinkPad 11e Yoga 5th Gen is the recommended model. Once in the Edunet parent portal, follow the procedure to set up an account. A device, accessories and insurance can then be selected. There are a number of different payment options available. Once the device is paid for, Edunet will deliver the device to the address specified in the order. Edunet has a support centre with service technicians to assist with any problems that may arise. They also have a professional vendor relationship with the school to ensure that parents are supported through the selecting, ordering, payment and delivery of the device to the student.

Wayne Tyler
ICT/Technology Coordinator

2021 SPORTS NEWS

2021 Waikerie High School Splash Carnival Results

Report

King House were again victorious in the Waikerie High School Splash Carnival. They have extended their winning run to the last six carnivals in a row, and 15 of the last 19 in total.

Randell House came home strongly however, with the carnival being decided by the last relay of the day. Three points decided first and second place in one of the closest swimming carnivals in history!

Ethan Johnson of King House was the lone record breaker on the day, breaking his own record from 2020 in the U20 Male 50m Freestyle.

Final Points

Position	Team	Points
1 st	KING	496
2 nd	RANDELL	493
3 rd	RITCHIE	437
4 th	CADELL	415

Records Broken

Open Female	Hayley Gore – KI Stella Thomas - RA	Aaliyah Loffler - CA

**GOOD LUCK TO OUR SWIMMING SQUAD
IN ADELAIDE ON MONDAY 1ST MARCH**

2021 Interschool Swimming – Loxton

Waikerie High School recently competed in the Riverland Interschool Swimming Carnival in Loxton.

All students performed very well, with many students winning or placing in their events.

What was more impressive though was the grit and determination shown by all team members. This team was one of the most dedicated teams I have had the pleasure of organising.

Whilst our team results were below our expectations, they are also reflective of how well we have done in previous years also.

Students now turn their attention to the Adelaide Swimming Carnival C Grade competition, next Monday.

CHAMPIONSHIP SHIELD		
1 st	Renmark	832
2 nd	Glossop	737

The Year 8 Camp is one of the highlights for students starting at Waikerie High School. While on camp, students participate in a range of fun and challenging cooperative activities, designed to enhance teamwork, relationship building, communication and self-confidence. The relationships and skills students develop over the three days are vital as they begin their high school journey.

The High School was a buzz of excitement on the Tuesday morning, as staff and students prepared to depart for Adelaide. After a noisy bus-ride, we arrived at our first destination: *Latitude*. Students enjoyed one and a half hours of activities, including: trampolining, rock climbing, sky-walk, and the *Grid*... a ninja-parkour, super-tough, obstacle course designed to put student's focus on problem solving, strength and courage to the ultimate test.

Having exerted some energy (but with plenty still in reserve), we headed to the *Big 4 West Beach Caravan Park*. Students were allocated their sleeping arrangements and given some free-time to explore the park before dinner.

Day two was a fun-filled day of water-based activities at the *West Lakes Aquatics Centre*. Students enjoyed a range of activities including surfing, sailing, snorkelling, and kayaking, while learning about water safety from the friendly aquatics instructors.

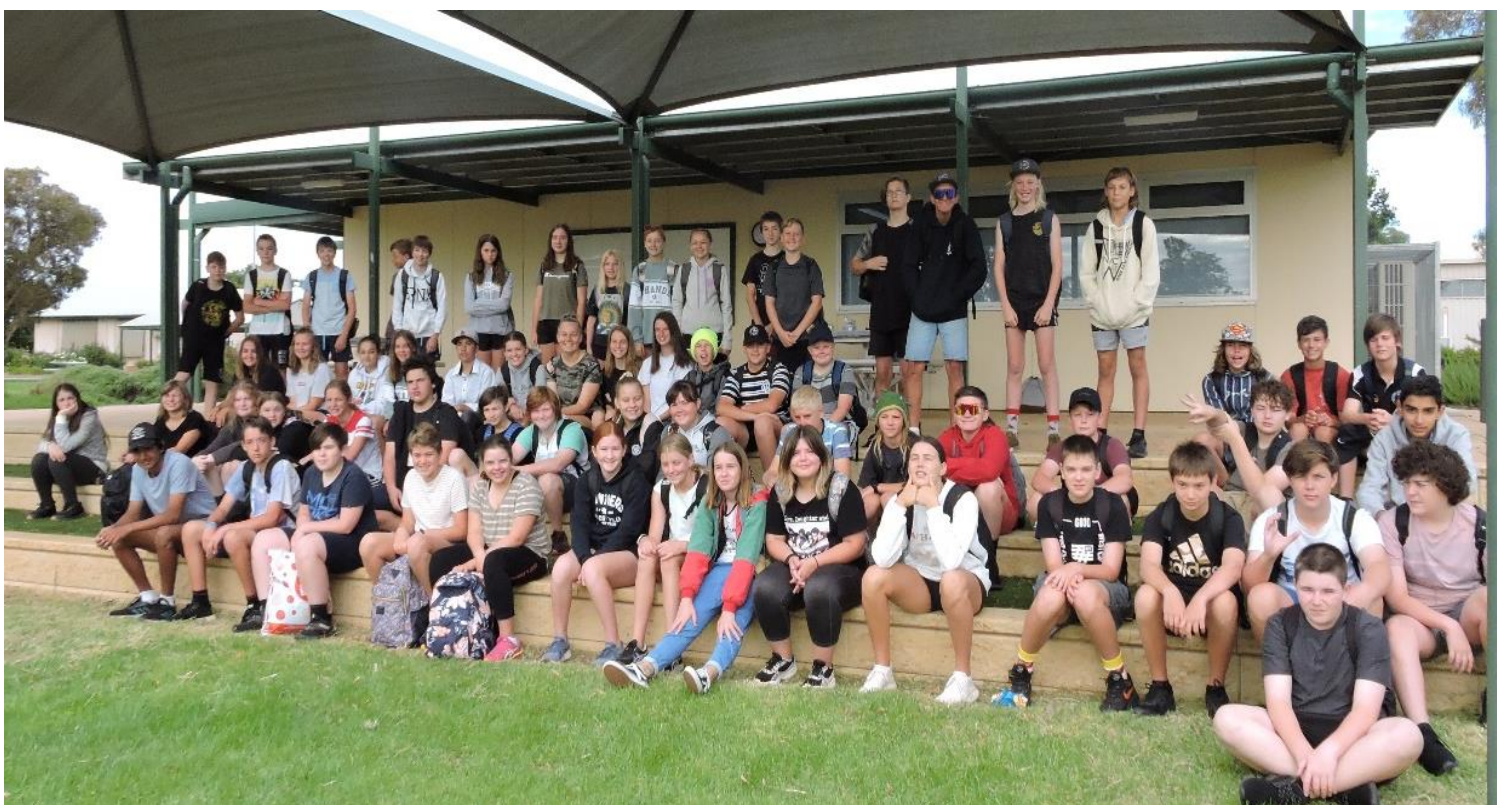

After a full day of outdoor aquatics and a delicious dinner, we headed to *Marion Bowland* for some ten-pin bowling; the students had an absolute ball (pardon the pun)!

On the final day we packed up camp and headed to the *Adelaide Zoo*. After a jam-packed two days of activities, the leisurely stroll around the Zoo was much-needed change of pace for both staff and students.

Overall, the Year 8 Camp was a huge success, with all students demonstrating the School's values of respect, responsibility, trust, achievement, and community at the various activities attended. Over the three days, our Year 8 students embraced many new experiences and had a wonderful time getting to know one another... many memories were created, many friendships were formed, and so much fun was had by all.

'Thank you' to all the families who donated food, snacks and drinks for the camp; these contributions were greatly appreciated. Lastly, a huge 'Thank you' to Daniel Pierce, Bec Barker, Janine Grieger, Andrew Hayman and Callan Smart whose support and assistance over the three days enabled the camp to be such a massive success.

YEAR 8 CAMPERS

Year 8 HG Teacher

COMMUNITY NEWS

The Ramco Netball will be celebrating 75 years this year and we would like to do a reunion where we play against BSR on the 15th May. Anyone that can help us with former players, photos, memorabilia or any info would be appreciated.

PLEASE FEEL FREE TO INVITE ANYONE YOU KNOW THAT HAS HAD SOMETHING TO DO WITH THE CLUB OVER THE YEARS.

Contact Kelly Chamberlain 0409412815 or chamby_25@hotmail.com

2021 River Murray Youth Council Call for new members

Do you **love** your **local environment**?

Are you interested in getting involved with **conserving** and **caring** for your local landscapes?

Would you like to meet **like-minded** people and develop your own great local projects ideas?

Sounds like the **River Murray Youth Council** might be **perfect** for you!

To register your interest and receive further detail about the 2021 information session and upcoming events and activities please contact: christina.liapis@sa.gov.au or Ph 0438 813 377

Cost: **Free.**

This project is supported by the Murraylands and Riverland Landscape Board through funding from the landscape levies.

CANTEEN NEWS

CANTEEN ROSTER Please find attached an updated roster. Thank you to everyone who has offered to help. Please consider volunteering by returning the slip below, preferably to the canteen or the front office. It is not hard and it is a great way to meet teachers and students. The children are very polite and appreciate having volunteers serve them.

Working in the canteen only involves serving the children for 20 minutes at recess and 40 minutes at lunch (with minimum help cleaning up). If you can only help at lunch time, that is still extremely helpful.

If you are unable to help serve in the canteen, please consider helping by way of donating products. For example, Carrots, Capsicums, Onions, Cucumbers, Tomatoes, Avocados, Lettuce, Corn Kernels (frozen or tin), Tins of Crushed Tomatoes, Milo, Sugar, Grated Cheese, BBQ Sauce, Pasta Sauce, Tomato Sauce, Tins of Crushed Pineapple.

CANTEEN MENUS are attached.

SPORTS DAY

There will be canteen facilities available with a range of hot food, drinks, rolls, sandwiches. I need help on Sports Days, so if you would like to assist in the canteen, please let me know or just pop in. EFTPOS is available.

INTERSCHOOL SPORTS DAY will be held at Waikerie this year. Canteen facilities will be available with a range of food and drinks. This is a really big day, so if you are able to help in the canteen, can you please let me know. You don't have to help all day, just whenever you can will be appreciated. EFTPOS is available.

For any queries about the above, please phone Marion on 8541 3097 or 0417 897 295, or pop into the Canteen.

Marion Maywald
Canteen Manager
