

CONGRATULATIONS RITCHIE 2021 SPORTS DAY WINNERS

This time last year I was writing to tell you all to stay safe and remain at home during the holiday break. Students weren't returning to school but instead, were ready for on-line learning. How things have changed for us in Australia and thankfully we have progressed with Covid!

EXTERNAL REVIEW

Our recent External School Review provided very positive feedback on the work of students, parents and staff to raise achievement and sustain high performance. Our focus continues on improving student achievement in writing and numeracy. Our Site Improvement Plan has goals and strategies to help us achieve this and our data reflects improvement in these areas. The review has also provided clear directions for us to continue our work and we look forward to implementing these over the coming years to ensure we provide opportunities for all students to achieve their very best.

REPORTS

Reports are now available on DayMap and provide a snapshot of your child's progress after 11 weeks. As we did with the Traffic Light data in week 6, parent's teachers and students need to sit down with these reports, discuss and re-evaluate goals to seek improvement. These are vital conversations that can be taken to interview night in week 2 next term.

PARENT STUDENT TEACHER INTERVIEWS

Interviews will be held next term, Thursday May 6th from 2:45pm to 6:30pm. Please make a booking via our Waikerie High School web site. Information required to make interview bookings is included in this newsletter.

DAYMAP MESSAGES

DayMap continues to be a very powerful tool in our communication with students and parents. DayMap messaging is now commonly used by students, parents and staff to connect and provide information directly to each other. We ask that students and parents respect the timeframe for messaging and responses to messages. While messages may be sent after hours, teachers will attempt to reply asap between the hours of 8:30am and 5:00pm.

YEAR 7 TO HIGH SCHOOL

We continue our preparations for our Year 7 and 8 students in 2022. We will be conducting a 'roadshow' to each of the Primary Schools early next term to meet with students and families. Letters will be sent with details of date, time and venue for each site visit. This meeting will provide the opportunity for information around learning at Waikerie High School including daily routines, laptops, uniform and support structures.

CELEBRATION ASSEMBLY

On Friday 7th May, 10:45am to 11:15am we will be holding our Celebration of Success Assembly where we will present awards to students who have gained academic success in Term 1. Parents will receive a phone call if their child is going to be acknowledged at the assembly.

SPORTING CARNIVALS

This term Waikerie High School hosted the Riverland Inter-school Sports Day and also travelled to Adelaide for the state schools competition. Congratulations to all our competitors in the way they competed and represented our school community. Successful events like these do not occur without a great deal of planning and organisation. Thank you and congratulations to Mr Matt McDonald and the team of staff, students and parents who helped in organising these successful events. Results are included in this newsletter.

YEAR 12 FORMAL

I congratulate all involved in the organisation and running of the Year 12 formal. The tradition and culture of this event is special for the students, parents and the community. As parents we are proud to see our children reach a milestone in their lives. Staff members appreciate the opportunity to celebrate Year 12 students' efforts and achievements and we wish them the very best for their final year of study.

Wishing all students and their families an enjoyable and safe holiday period. Our term 2 school program recommences at 9:00am on Tuesday 27th April.

REMEMBER

TERM 2

COMMENCES ON

TUESDAY 27TH APRIL

YEAR 12 – STAGE 2 SACE

Term 1 has concluded, which effectively means Year 12 students have two terms of learning to go. After checking reports, the majority of students are progressing well in their chosen subjects. I urge students to continue to work hard as there will be many challenges ahead.

As Year 12s break for the holidays there is an opportunity, and an expectation, that students revise what they have learnt in term 1 knowing that this knowledge will be required for the end of year exam. Furthermore, there will be multiple assessment tasks to work on.

YEAR 11 – STAGE 1

Well done to the Year 11s who have done well in their Stage 1 subjects. Furthermore, there has been excellent feedback from TAFE on VET student progress.

A reminder that Numeracy (Mathematics) and Literacy (English) are compulsory components of the SACE. That is students must receive a C or better for these subjects. If the term 1 report is not positive then there is a term to turn it around and get up to standard.

SACE SPECIAL PROVISIONS

Parents and students need to be aware that there are Special Provisions in the SACE that can be granted for a range of reasons. If there has been health issues for example, teachers could reduce the number of tasks or reduce a word count on assessment to assist the student. I encourage any parent or student to ask me questions regarding SACE. There is much flexibility within the SACE as they recognise that different students require different ways to reach success.

PARENT/STUDENT/TEACHER INTERVIEWS

Thursday 6th May – from: 2:45pm

Waikerie High School Hall

Online bookings:

www.schoolinterviews.com.au

OR

Via the Waikerie High School's web site – by clicking the link:

Event Code: p2ah6

MESSAGE FROM THE BUSINESS MANAGER

M&S Charges 2021

Material & Services charges 2021 are set at \$360. The state government has raised the school card income threshold to help families with the cost of living. This means that families may be eligible to apply for a school card. School card application forms for 2021 are available from the school or www.sa.gov.au.

FRONT OFFICE

The front office is closed every Thursday from 2:30pm.

UNIFORM SHOP

The Uniform Shop is open **Tuesday and Thursday 8:30am-9:00am**. All uniforms need to be paid in full at time of purchase either by cash, EFTPOS or cheque.

BOOKROOM (Stationery and all payments)

The Bookroom is open Monday to Friday mornings before school 8:30am-9am.

Felicity Ziegler
Business Manager

SWIMMING LESSONS

This term swimming instructor Janelle Eustice worked with a variety of students under the Department for Education's water safety program.

Weekly lessons included water safety, swimming technique and physical fitness which has improved student's confidence and skill in the water. Students have loved their Friday mornings in the pool. This program will run once again when the pool reopens at the end of the year.

Gill Collins
Flexible Learning/Special Ed

2021 Adelaide Swimming – Marion Aquatic Centre

Waikerie High School recently competed in the C-Grade Adelaide Swimming Carnival in Marion.

All students represented the school exceptionally well, with this being the highest grade our school has competed in for many years (we were in E grade just two years ago!).

Waikerie was able to finish ninth overall (out of ten schools), finishing ninth in the boys competition and tenth in the girls. This means that we now compete in D grade in 2021, where we will look to rise back up the ladder!

2021 WHS Sports Day Results

Report

Ritchie House were victorious in the Championship Shield at the recent Waikerie High School Sports Day, in one of the closest competitions in memory. Randell were not far behind them in second place, as the lead swapped between these two houses for most of the day.

Cadell won the Athletics Shield, while Randell were second in this also.

Ritchie were victorious in the ball games competition for the second year in a row; whilst Randell took out the tug of war.

Students competed impressively on the day, showing excellent support for all other athletes. Many parents and friends also attended as spectators, adding to the atmosphere of the day.

Final Points

Position	Team	Points
1 st	RITCHIE	1203
2 nd	RANDELL	1181
3 rd	CADELL	1154
4 th	KING	1132

Riverland Interschool Sports Day 2021

Waikerie High School was fortunate enough to host the Riverland Secondary School Sports Day recently. The day showcased the high quality of talent in arguably the best zone school carnival in the state. The conditions of the day were perfect with 500 plus students competing in athletics or ball games events. The overall attendance was around 2000 people which included students, family and staff. The competition was strong; however, Loxton showed great depth to win their 41st consecutive championship.

Staff spent many hours preparing for the event, but it could also not have run successfully without the support from many community members and organisations (Rotary and Scouts to name just two).

CHAMPIONSHIP SHIELD		MOST IMPROVED SHIELD		BALL GAMES SHIELD	
School	Points	School	Points	School	Points
1 st LOXTON	2095	1 st GLOSSOP	2195	1 st LOXTON	176
2 nd GLOSSOP	1828	2 nd LOXTON	2095	2 nd GLOSSOP	152
3 rd RENMARK	1773	3 rd WAIKERIE	2059	3 rd RENMARK	128
4 th WAIKERIE	1385	4 th RENMARK	2048	4 th WAIKERIE	88

Waikerie High School performed admirably as the smallest of the four schools. Particularly pleasing was the effort shown by athletes racing out of their age level to fill the team or to strengthen age groups.

Whilst there were many fantastic individual results on the day (listed below), special mention must go to Aaliyah Loffler, who was awarded Female Athlete of the Meet with an amazing four first places and one second. It is the first time for many years that a Waikerie High School has won this award.

2021 Adelaide Athletics – SANTOS Stadium, Mile End

Waikerie High School recently competed in the C-Grade Adelaide Athletics Carnival at SANTOS Stadium in Mile End.

As has been the case for all events this year, Waikerie High School students represented the school extremely well

Waikerie was able to finish sixth overall, finishing 6th in the boys competition and 5th in the girls.

Many students finished in the top 3 for their events, and many more students achieved personal bests, which is an excellent achievement.

AGRICULTURE – VITICULTURE/WINE MAKING

On Wednesday the 10th March, the Year 11 Viticulture class harvested and crushed the Shiraz grapes from the vineyard.

They worked really well to pick all the grapes by recess time and then managed to crush and clean up before lunch.

They were treated to a wonderful recess and lunch by the Canteen which they thoroughly enjoyed.

On the 15th March, the Year 11 Winemaking class headed out to Growers Wine Group for a tour of their facilities. The students were shown the crushers, pressers and the Lab to see the different aspects of winemaking by Miriam Kroehn, the Lab manager.

Donna Haynes
Viticulture Teacher

TERM ONE AGRICULTURE PROGRAM

Year 9s have been busy keeping a check on our Yabby breeding program. We have four Yabbies in berry so we will wait to see how these expecting mums go!!

The main part of the course is developing their knowledge of plants and growing vegetables. The students have been busy picking tomatoes, zucchinis, cucumbers, corn, watermelon as well as butternuts while keeping the multitude of weeds to a minimum. Not fun but necessary. They have also begun setting up for our winter plantings. Remember all of this produce is for sale through Ilalangi as well as the front office here at the school. Water melons \$1, tomatoes \$0.50 per kg (picked to order if you want large quantities).

The weeds removed from the veggie garden have been given to the very thankful chooks, who come running every time the students enter with bins full of weeds. Students have been collecting eggs, feeding and keeping check of the health of our chooks.

We have even been out to Ilalangi for Keryn to give the students a talk about bush foods so that they were more aware of the variety of plants native to Australia that can be used in cooking as well as possibly being incorporated into our Home Ec Rejuvenation Design project.

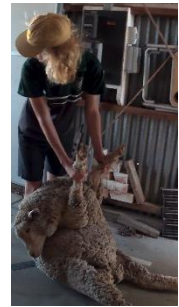

Year 10s have been preparing our eight new wethers for their showing in September at the Royal Adelaide Agricultural Show. They have been ear tagging, keeping check of their increasing weights and health as well as getting them used to walking with leads. This has been very funny and a few challenging instances when our new wethers were very stubborn and did not want to move. Students have made amazing progress by now getting them to walk from the Ag paddocks to the front lawns of the school. A massive thanks goes out to Shane Matulick for donating his time and experience by coming out and shearing our wethers as they must not have any fleece as of the 1st March in order to be eligible for the wethers competition.

They have also been maintaining the horticulture plot by keeping weeds to a minimum, pruning shoots from trees, as well as keeping a check on the growth of them and any issues that occur (disease, lack of water, nutrient deficiency and salinity issues). They have taken soil samples, tested these and then compared them to profession soil test results. A huge thanks to Kym Thiel for donating three avocado trees to our horticulture venture as well as offering support to provide valued tutoring to our students in the growing and maintenance of avocados.

A roustabouting experience was provided by Brenton Kroehn at his property where students worked with shearers and wool classes to improve their understanding of the potential jobs in this area as well as the wool and sheep industry. Students helped Brenton 'crutch the ewes' in preparation for the imminent birth of our lambs as well as giving them vital vitamin supplements to help the lamb. A massive thanks to Brenton for his continued support of our sheep program by providing his amazing knowledge and shearing prowess. "Happy Days"!!

Again Keryn has given her valuable time to expand our students knowledge about 'Value Adding' to produce and basic things can be made into a variety of products making them more attractive to customers.

The Year 12s have been overseeing the entire Ag program as well as focusing on our ewe breeding. They have been weighing, condition scoring as well as providing regular health checks of our pregnant ewes. We have seven ewes with twins and three with singles so next term we hope to be enjoying the playfulness of 17 lambs. They are in the process of introducing a planned nutrition program aiming to provide a more efficient and cost effective feeding regime.

Roosters to give away.

The school has some Silver Laced Wyandottes as well as Barred Bantam Wyandottes to give away. Please contact the school if you are interested.

**Paul Tripodi
Ag Teacher**

A WORD FROM THE SOCIAL WORKER

From Week 4 Term 2 Waikerie High School will have a counsellor from Relationships Australia visiting once a fortnight on a Tuesday. This will provide Waikerie High School students and their families with another external support service easily accessible at no cost. Students and their parents/caregivers can make a booking through Bec Barker, or by contacting Relationships Australia on 8582 4122. Students under the age of 15 need parent/caregiver consent to make an appointment. Counsellors are also available on Tuesdays at the Waikerie Community Hub.

Students:

Counselling to support students under stress and improve relationships. This could include support for:

- Parents separation
- Conflict with parents
- Getting through a break-up
- Leaving a controlling relationship
- Balance and support with problem gaming and sleep
- Friendship difficulties

Parents/caregivers:

Counselling to support parents/caregivers with any difficulties impacting relationships. This could include support for:

- Separation and divorce
- Conflict with your adolescent
- Managing step-families
- Managing problem gaming or gambling behaviour (yours, your partners, or your child's)
- Domestic violence and controlling relationships

Please contact Bec Barker or Relationships Australia with any questions.

**Bec Barker
Social Worker**

Pastoral Care Worker

Wow! Hasn't the term just flown by?! I hope you and your family had a refreshing and blessed Easter season. May the school holidays provide an opportunity to rest, recuperate and enjoy family time.

During term 1 we have continued to provide Breakfast Club two mornings a week, although it has looked a little different compared with previous years. We have continued to provide a hot breakfast of bacon and eggs on a Wednesday, and toast with spreads on a Friday. We celebrated Easter with hot cross buns (and a sneaky chocolate egg) on the BBQ. We are thankful and appreciative of all our Breakfast Club volunteers and are ecstatic to have them back on site after a year off due to COVID-19.

I am on site Wednesday and Friday and am available to support parents, caregivers, students and members of our wider school community. You can contact me by email on janine.frost335@schools.sa.edu.au, or by phoning the school to book an appointment.

Janine Grieger
Pastoral Care Worker

EDEN PRIZE

ThinkwriteWIN

How can understanding & applying mathematics make the world a better & happier place?

Write a 600-800 word response to this thought provoking question for your chance to win!

The Eden School Prize is open to all year 10 students in Department for Education schools. The prizes for the competition are provided from the 1956 bequest of John Joseph Eden who requested in his will that the Minister for Education conduct an essay competition for young people in South Australian public schools. In 2021, the focus of the essay is on how understanding and applying mathematics can make the world a better and happier place.

WHAT ARE THE PRIZES?

There will be three prizes awarded to the value of:

1ST PRIZE - \$1,250

2ND PRIZE - \$750

3RD PRIZE - \$500

**ENTRIES CLOSE
